HONGKONG, APRIL 14TH, 1891.

WE are glad to hear that there is some pro- way to bring the Colonial office to its senses capable of spreading false news, but, after spect of the formation of a Ratepayers' to take steps to refuse to coal H. M.'s steamers Association for Hongkong. The idea is and the men-of war of all nations, referring very gloomy prospect for the native tea hongs 1890. not altogether new, having been advocated them to the Government of the Colony for here and for the growers in the country. Of several years ago in these columns. On this big French transports unable to get coals might hongs out of ten bave made some very small occasion we trust the project will not be all stir up Lord Knutsford a little." lowed to fall through. Public spirit in celebrations, and it is always difficult to sehowever, to be the means of cultivating a this reef during the last two hours of the flood. healthy public interest in the affairs of the Colony and the reproach of our lack of public spirit might thereby be removed. The yarn from the United Kingdon to China and the main object of the Association, we take it, would be to obtain Municipal Government in February last year. In the total trade of all for the Colony. In the meantime it would be kinds of piece goods there was a decrease that able to bring considerable pressure to bear many minor abuses and inconveniences, pared with the first two months of 1890. That the ratepayers should be content to have Queen's Road kept in its present state, No. 1,341, E.C., held on the 11th instant, E. scheme of local postal delivery has not been Janitor carried into effect and why pillar letter boxes are not provided for the convenience of the Shi residents in the outlying districts. Another field open to it would be in protesting against extravagance in connection with public works. Fortunately the Public Works Committee of the Legislative Council is in the future to be an active instead of a merely passive body, and scandals in regard to the expenditure of the public funds may be expected to be less frequent and less grave than in the past. To the Hon. T. H. WHITEHEAD belongs the credit of baying secured from the Government a recognition of the proper functions of the Public Works Committee, and the Colony is greatly indebted to him for the service. The Ratepayors' Association will, however, enable the members of the Public Works Committee and the unofficial members of Council generally to ascertain the views and wishes of The total amount of entrance fees is Tis. 5.880;

they have at present the opportunity of

comprises a comparatively small section of afford is not very largely availed of, as at meetings of the Ratepayers' Association be any better? We hope so, but experience possible criticism are required. We have not been made acquainted with the details of the scheme, but presumably it has its origin in the recent agitation, anent the military contribution. In our yesterday's issue we reproduced a paragraph from the Singapore Free Press stating that at a recent meeting of the Straits Association a letter was read from the Secretary of the Straits Association in London with reference to the question of conjoint action by the three Eastern Crown Colonies, and that the Hon:

P. RYELE was to be written to on the subject. If the three colonies worked together the home Government would be less inthat in some instances the colonies might not | posing the working of a reg opinion and the position would be no worse taken up, and the steamers will sail under the and inflict a penalty.

than it is at present; in Hongkong it would be better inasmuch as we would have a regularly organised body for the expression of public opinion, which at present we have not. We therefore cordially welcome Our New Factory has been recently refitted the proposal to form a Ratepayers' Associa- more damage by the hand of modern tourists with automatic Steam Machinery of the tion here, but we trust that if the proposal latest and most approved kind, and we is carried out the Association will not start are well-able to compete in quality with with the idea that it is to confine itself to by the impertinent record of obsoure names. and General Managers as per articles of association on ships and stocks 4,600,00 1.472.50

All the company's properties are in good order and have been well maintained during the year. It will be seen from the accounts now submitted that some additions have been made to the company's fleet of sailing vessels during the past year, and that a steam-launch also has been purchased, all of which have been considered necessary to provide for the increasing work to be done.

The China markets for timber as for many other articles of commerce have proved very disappointing during the past year, but it is to be expected that company's business will participate in same. On the other hand the Company has been kept very fully occupied in Manila, and contracts are now on hand which provide full work for some time to come, and the prospects for the or ment year seem very favourable

In accordance with terms of his agreement, Mr. Philippines, and the business of the Company is now being conducted by Mr. F. J. Anderson, a gentlemen who for a number of years past has been associated with Mr. Brown in the business, and the General Managers and Committing Committee are well satisfied that in his hands the work will be well and COMBULTING COMMITTEE.

eligible offer themselves for re-election. The accounts have been sudited by Mr. Fullarton Henderson, who offers himself for re-election. GIRB, LIVINGSTON & Co., General Managers.

THE MILITARY EXACTION AND THE SINGAPORE PETITION TO THE HOUSE OF COMMONS.

The following is the text of the potition which is to be signed by the British subjects in from forming an Irish National Labour League. Singapore, to be seat to England to be presented to the House of Commons :---To the Honouble the Commons or GREAT BRITAIN AND IRELAND IN

PARLIAMENT ASSEMBLED.

The humble petition of the undersigned Britis subjects resident at Singapore in the Colony of the Straits Settlements. SHEWETH That your Petitioners have learnt with much concern that the amount de manded by Her Majesty's Government as the contribution of the colony towards, the military defence of Singapore has been largely, and las

they respectfully submit unduly increased. That whereas until recently the annual sum paid by the Colony was 250;145; the amount now delegates in New York a sum of over \$4,000 was demanded is £100,000, being nearly two thirds of .collected the actual cost of the maintenance of the garrison with the intimation of further revision at the end of three years, and in addition to this the Colony is called upon to incur a heavy outlay in are preparing for violence, and will attempt to

the duty imposed upon the Colony of providing Roche, members of the Chamber of Deputies. a larger contribution towards the cost of the increased garrison required to defend the forts. The Italian police authorities have seized which have recently been constructed for the some important papers showing that negotiaprotection of the shipping and coaling station at Singapore, they desire respectfully to petition against the decision of Her Majesty's Government to increase so disproportionately the tho labour demonstrations which take place on military contribution of the Colony, and they let May.

submit the following grounds of objection.

(1.)—That—the—increase in the Garrison of Singapore is rendered necessary in convequence of the defences which were constructed almost solely in Imperial interests for the protection of German Empire, who recently consented to allow that important coaling station, and not for the himself to be nominated for a seat in the protection of the Colony.

led Her Majesty's Government to defray the rule Germany with a hand of iron. The National cost of a considerable portion of the Garrison Liberals, who are heartily tired of the weak apply with far greater force at the present day, in view of the enormous growth of British trade. General von Caprivi, have decided to throw in passing through the part of Singapore, the ex. their weight with Prince Bismarck's party. pansion of Imperial interests, the colonial extension of other European powers in this part of the world, and the consequent paramount necessity which exists for securing so important lynching cases at New Orleans still continues. a naval base. (3)-That this decision in view of these considerations is calculated to involve the Colony in the future in heavy additional excenditure. by its being forced to maintain a Garrison out of all proportion to its own requirements, and

(4.)—That in addition to the present heavy organising themselves in the United States and contribution, the Colony is called apon to provide | Canada. extensive barracks, and, at the domand of the War Office, any lands and buildings which may be required for military purposes, thereby inourring an expenditure which can neither be ganged nor controlled by the Colonial authorities." (5.)-That this refusal of Her Majesty's Government to allow an equitable apportionment is not in accordance with the principles renognised in the arrangement approved of by your Honograble House in 1884, under which the cost of the works and armaments was divided between the Imperial and Colonial Governments. Such refusal stands in marked contrast

to the consent of the Legislative Council, by resolution of 13th February, 1890, to bear onehalf of the actual cost of the whole military defence, and, in addition, the entire cost of the barracks required. (6.)—That this heavy and altogether dispreportionate demand upon the resources of the in the colony to protest against the action of the colony cannot fail seriously to hamper and re.
